- You know there are more amazing things in life and you want to tap into your full potential.
- You've lost sight of your vision (or never had one) & feel drained. You want the energy & the passion back!
- You want more out of life and you want to live life to the fullest!
- You want 2023 to be the best year of your life!

- The tools, planning, and accountability to make your vision and goals happen this year
- The Ripple Effect – By building a stronger foundation for your life, everything in your world improves: your relationships, your job, your health, your finances, and your daily life!

## Why Group Coaching?

**ACTION** - You will be taking action throughout the entire year to build the life you truly want in life. Doing nothing is not an option. You will have the coaching, tools, and challenges to inspire you for an entire year.

**ACCOUNTABILITY** - The gold is in the group! Being surrounded by like-minded people means greater inspiration and accountability, and therefore faster, more effective results.

**AFFORDABILITY** - Experience 30+ hours of group coaching for a fraction of price of normal coaching. Plus, you will have three BONUS individual coaching sessions and a 4 session planning retreat that is included in this program.

**RELATIONSHIPS & FUN** - You will gain from the wisdom, experiences and relationships in this group. Growth does not happen in a vacuum and with a group it is more FUN!

## The Set-Up:

Twice a month we will have a 90-minute group coaching session via Zoom. If there is a class you are unable to attend, you can always watch the recording at your leisure.
